

## **How to use**

### **The Technical Support Faxback Form**

- Fill in all appropriate information for your Technical Support Request or Bug Report
- Provide us with exact and specific details. The more specific and detailed information you provide, the better we will be able to help you.
- **Licence number of your Program must be included in all Technical Support Requests.** (you will find it on the first RADAR diskette, it is also displayed on the start-up screen of Radar)
- FAX the enclosed page and any attachments to either of the following fax numbers:
  - o Brazil: +55-41.3362.8210
  - o Canada: +1-508-767-1721
  - o Italy: +39-031.40.13.33
  - o Mexico: +52-3 630.0495
  - o USA: +1-720-294-3196
- International Support +32-19-566 532
